

## Extended lead times, winter wonderland and Christmas...

It is that time of year again where we see extended lead times ahead of Christmas and New Year; it feels like it gets earlier every year!

Hopefully you have got most of your inputs stocked up, and orders in place which should cover you until the New Year. If not, please get in touch ASAP and we can see what we can do!

### Did you see us?

If you receive the British Dairying Magazine, you would have seen us on the front (and back of it) of the November issue! Here is a peak for those who might have missed it:

From bedding lime, magnesium flakes, hoof care products, milk replacer and amino acids.... Get in touch today to see if we can save you money on your inputs!

Call: 01270 295025 Email: [info@rumensupplies.com](mailto:info@rumensupplies.com)

## A big thank you!

As many of our customers know, Rumen Supplies Ltd is a small team and we cannot do what we do without our customers (and suppliers of course), new and continued support!

For 2024 there are a couple of exciting projects in place so keep an eye out, and we will continue to be a trusted supplier of your farm inputs!

For most of you, there is no such thing as time off at Christmas but we do hope you manage a well earned rest and time spent with loved ones.

We'll be available throughout Christmas as usual on email, text and phone, but if we don't hear from you before then...

# MERRY CHRISTMAS

FROM THE TEAM AT
